Dear Membership,

Luis Trevino is one example of the type officer that this Association is made of. Officer Trevino took the first step in organizing a boxing team for the Sheriff's Office back in February. Officer Trevino requested a donation from the Association so he could purchase boxing equipment. The equipment was to be used by Association members who wish to learn how to box. The response from the membership has been overwhelming. The equipment was placed in the Sheriff's Academy so that it could be used by all the officers in the department.

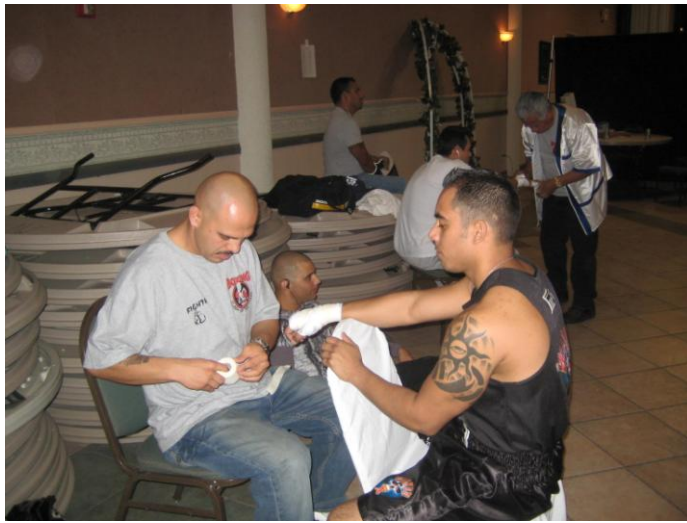

Members who stuck with it and survived the hard training, that Officer Trevino and Officer Tommy Galindo put them thru, had a chance to display their hard work on Nov. 14, 2009. The boxing event was a big success due to the fact it featured the Sheriff's Office against other law enforcement agencies. The entire boxing team regardless of their win or lose gave an outstanding performance and deserve a standing ovation.

The Association is proud of these officers and hopes to see them compete in other sporting events. A big **"THANKS"** to all the Members of the El Paso County Sheriff's Officers Association for supporting these officers.
