Members;

July 31, 2008

On May 30th, 2008, the Association filed a Class Action Grievance amid complaints of Officers, who are in the Military Reserve, not getting paid for overtime they worked during a pay period in which they had drills. The County Attorney researched how many officers were affected and calculated what was owed to each officer.

On July 14th, 2008, the County Commissioners agreed to pay the military leave time pursuant to the Article of the Agreement between the County and the Association.

The officers on the list below need to contact me ASAP for further details about the settlement. I have already received the release waivers from the County Attorney's office for the officers on the list. Officers need to come by the CLEAT office and sign a release waiver in order to pick up the checks. Office hours are from 8:30 am to 11:30 am and 1:00 pm to 5:00 pm.
